

MessageSolution Compliance Archiving & eDiscovery Platform for Emails, OneDrive Files & SharePoint Online in Office 365

To E3/E5 Plans - MessageSolution Cloud Archive & Advanced eDiscovery Platform is the Preferred Alternative

MessageSolution Advantages for Companies' Planning or Migrated to Office 365

MessageSolution provides real-time archiving process for the data in Office 365, ideal for companies with compliance policies and preserving necessary litigious data. In the events of outstanding litigation and compliance audit, MessageSolution's failsafe capability enables diverse data continuity and access to unified search for all data of Office 365. Prior to migration, MessageSolution archives from the decommissioned mail servers to minimize the migration data volume. MessageSolution advantages include:

- Maintain Complete Ownership, Flexibility and Control of Your Corporate Data
- Security, Protection, High-Grade Encryption Options on Both Archived Static Data & Data in Transit
- Preserve & Archive for Historical Files, Cases and Sites from OneDrive and SharePoint
- Unlimited eDiscovery Searches / Record Management & Extended Legal Discovery Features
- Integrated Outlook Folder Discovery Access to Ensure C-level Access with Selective Archiving
- Archiving of Immutable Data to Ensure Compliance and eDiscovery Requirements are met
- Competitive Pricing & Pay Less for More Functions of Advanced Compliance & eDiscovery Platform
- Geographic Redundant Archive to Mitigate the Risk of Single Vendor Lock-In
- Ease of Transitioning When Company Migrates Out for Office 365's 90-day Renewal Deadline

MessageSolution Advanced eDiscovery Platform for Office 365 Environment

MessageSolution Advanced eDiscovery Platform serves the interest of O365 business users, including E1 and E3 subscribers, which is a preferred alternative solution to replace E3 and E5 Plans cost-effectively. It provides an unparalleled feature-set that delivers compliance archiving for emails, files in OneDrive and SharePoint Online documents. MessageSolution emphasizes value for Case Management, Legal Hold Notifications, Outlook seamless discovery, and provides FREE data migration of your on-premise archived data to MessageSolution Cloud Archive Platform.
